

Monday, May 24

10:00 - NA-YGN Professional Development Seminar

14:30

16:00 - WiN Meeting

17:00

16:00 – Conference Registration

17:00 – Conference Exhibits (to Wed. May 26 17:30)

18:30-20:30 – Conference Reception

Tuesday, May 25

08:00 Opening Welcome Addresses

08:10 Plenary IA: New-Build & Refurbishment Program
(Session Chair R. Hafez, SNC-Lavalin Nuclear)

08:10 AECL, Tony De Vuono, Senior Vice-President
and Chief Technology Officer, AECL

08:35 Ontario Power Generation, Tom Mitchell
(President & CEO, OPG)

09:00 New Brunswick Power, Gaëtan Thomas
(President and CEO (Acting), New Brunswick
Power)

09:25 Break

09:55 Plenary IB: New-Build and Refurbishment
Program (cont.) (Session Chair: K. Scott,
Atlantic Nuclear Services Limited)

09:55 The Complete Nuclear Cycle – Uranium to
Recycling: Mike Ruyseveldt (Director, Business
Development, AREVA NP Canada)

10:20 Nuclear Situation in the UK: John Roberts
(University of Manchester)

10:45 Hydro-Québec, Claude Drouin (Directeur adjoint,
Projet réfection Gentilly 2)

11:45 Conference Luncheon & W.B. Lewis Lecture –
Speaker: Dr. Dan Meneley (Former Chief
Engineer & Engineer Emeritus, AECL): Nuclear
Energy in This Century - A Bird in the Hand: The
Need, The Challenges and the Way Forward

14:00 Parallel Technical Sessions:

to Education and Public Outreach

17:30 Process Systems

Material Properties & Applications

Special Session dedicated to the memory of Prof.
Daniel Rozon

17:30- Student Poster Session & Wine-and-Cheese

19:30

Wednesday, May 26

08:00 Parallel Technical Sessions:

to Physics 1

12:00 Thermalhydraulics

Safety Management & Safety Culture

Plant-Life Management & Refurbishment

Environment & Waste Management 1

Advanced Reactors & Applications

(Break in mid-morning)

12:00 Conference Luncheon

Honours & Awards Ceremony

14:00 Plenary II: Performance & Environmental
Improvement (Session Chair R. Eagles, New
Brunswick Power)

14:00 Patrice Desbiens (Technical Manager, Hydro-
Québec)

14:25 Jill Doucett (Director, Business Excellence
Processes, Point Lepreau)

14:50 William H. Cooper (Senior Project Manager,
AREVA NP Canada)

15:15 Chun Zeng (Deputy Director, Technology
Department, TQNPC, China)

15:40 John Froats (President, CANDU Owners'
Group): “Enhancing Performance Through
Collaboration”

16:05 Break

16:15 CNS Annual General Meeting (Open to all
to CNS Members). Review of CNS Year &
17:45 Election of CNS Council for 2010-2011

17:30 Note: End of Exhibition component of
Conference

18:00 Buses to Night Out

18:30 Cocktail Reception and Conference Banquet in
to the Belvedere Room, Vieux Montréal, by the
22:00 River

Thursday, May 27

08:00 Parallel Technical Sessions:

to Physics 2

12:00 Safety & Licensing

Operation and Maintenance

Instrumentation & Control

Environment & Waste Management 2

Radiation and Medical-Radionuclide

Production

(Break in mid-morning)

12:00 Conference Luncheon

Guest Speaker: Dr. John Root (Director, NRC-
Canadian Neutron Beam Centre), “Materials
R&D with Neutron Beams – How the NRU
Reactor Serves Canada further as a Unique
Resource for Science and Industry”

14:00 Plenary III: Nuclear Science & Technology and
Health (Session Chair J. Froats, CANDU
Owners' Group)

14:00 Jean-Luc Urbain, MD (President, Canadian
Association of Nuclear Medicine): Medical
Isotopes and Emerging Nuclear Medicine
Technologies

14:25 Michael Binder (President, CNSC): “Ensuring
Nuclear Safety in Research and Health”

14:50 William Pilkington (Sr. VP and Chief Nuclear
Officer, AECL): NRU Restart

15:15 Rick Jones (Emeritus Physicist, AECL): History
of ZED-2

End of Conference – See you in Niagara Falls in
2011!
