Safety is very important for everyone working in the exhibit hall - especially you!

GES CANADA is committed to safety throughout our company and in the work that we do. We request that you make safety a part of your activities during the show. If you see something unsafe or that presents a hazard, please bring it to the attention of a GES CANADA supervisor. By reporting unsafe or hazardous conditions, you will help make the show safer and more enjoyable for yourself and your fellow exhibitors.

Below you will find a list of Loss Prevention Guidelines that we request you follow while at showsite. These Guidelines will enhance the overall safety of the show and help to prevent injuries to you, our employees, and other exhibitors. Enjoy the show and do it safely. Thank you for your Cooperation!
